

Ideology Survey					
	Strongly Agree = 3 Agree = 2 Disagree =1 Strongly Disagree = 0	SA	A	D	SD
1	Canadian courts need to give tougher sentences to criminals and young offenders.				
2	Parents/guardians of 16 and 17 year old students and high school students aged 18 or older that fail a high school course should pay taxpayer costs of approximately \$6000 to repeat the course.				
3	Governments should not provide any social assistance to adults (18+) who do not have their High School Diplomas.				
4	The less the government gets involved in the economy, the better.				
5	Canada's health care system should be privatized where people would buy their own health care insurance.				
6	People who get financial help from the government are generally those who are lazy and really don't want to work.				
7	It is up to the individual, not government, to make sure his/her family is adequately clothed, housed, and fed.				
8	Most unions representing workers are too powerful these days.				
9	Governments should eliminate minimum wages.				
10	The private sector can do a better job than government of providing essential services such as water and sewage treatment to citizens.				
11	The police should be allowed to keep secret files on anyone they are suspicious about.				
12	The rights of Canadian minorities have become more important than the rights of the majority				
13	Pollution laws should be reduced because they add to the cost of most products.				
14	Canadian governments should sell crown corporations (government owned businesses).				
15	Wealthy individuals are smarter, better educated and harder working than poor individuals.				
16	We should be more concerned about jobs in the oil industry and worry less about the effects of environmental damage.				
17	Canada should have a stronger military presence in the world.				
18	The rights of the majority are more important than the rights of the minority.				
19	Seatbelt and motorcycle helmet laws are unnecessary restrictions on individual freedom.				
20	Individual needs are more important than the needs of society as a whole.
